The comfort and rounded shapes of the Copa chair are transferred now to new members of the family.

With an elegant wooden structure and with proportions and comfort as the main premises, the new lounge chair has been incorporated into the collection.

Ramos&Bassols

After several years of experience in different fields such as urban furniture, tableware, lighting and office furniture, etc... David Ramos and Jordi Bassols have created in 2004 Ramos + Bassols studio.

Based in Barcelona, they offer a personal view on contemporary design. "We always search the balance between form, function and aesthetics in our products".

In the last years, the studio has received several international awards such as: Hospitality Design Product 2010, International Interior Design Association 2010 award, The IF Design award 2015, the Red Dot Award 2015, and the Gold award Best of Neocon in 2016.
