

## QUALITY AND ENVIRONMENTAL MANAGEMENT POLICY

The management of VICCARBE HABITAT, S.L. commits to:

- Put our main objective first: customer satisfaction. The customer's requirements, together with legal and regulatory ones, will offer a point of departure for continued improvement in the company.
- Develop and maintain systems of quality and environmental management and adapt them to VICCARBE HABITAT S.L.'s design, fabrication and marketing of furniture.
- Reduce the environmental impact of the company's activities as part of the continuous improvement.
- Strictly comply with the environmental requirements established by the legislation applicable to the business activities of VICCARBE HABITAT, S.L.
- Establish assessable indicators and objectives for quality and environmental management and review them regularly.
- Offer all due environmental transparency to administrations and institutions.
- Promote the reduction, re-use and recycling of waste in order to prevent pollution
- Comply with the commitment adopted by the plans on hazardous waste minimalisation and the plan to prevent packaging and to reduce the waste generated from packaging defined by the management.

In this regard, the management asks that all employees put this policy into practice, offering them all formative methods and materials necessary.
