

## QUALITY AND ENVIRONMENTAL MANAGEMENT POLICY

The Management of VICCARBE HABITAT, S.L. agrees to:

- Make the satisfaction of our customers prevail, our true concern, complying with the customer's requirements and the legal and regulatory ones, as a starting point towards the continuous improvement of the company's efficiency."
- Develop and maintain the Quality Management and Environmental Management Systems adapted to the nature of the activity carried out by VICCARBE in the design, manufacture and marketing of furniture.
- Establish quantifiable quality and environmental management objectives and indicators and review them periodically.
- Reduce the environmental impact of the company's activities within the framework of continuous improvement.
- Comply with the environmental requirements established by the legislation applicable to VICCARBE's activities with due transparency.
- Promote the reduction of waste, their reuse and recycling to prevent pollution.
- Achieve the commitment acquired in the plans for the minimization of hazardous waste and the prevention plan for packaging and waste packages that is defined therein.

To do this, the Management appeals to all employees to implement this policy, providing them with all the necessary training and materials.
