FINISHES

Structure and Upholstery

Interior structure in MDF and steel. Fabric or leather/eco-leather.* Expanded polyurethane foam in different densities. Internal frame of tensioned wood. For the production of this sofa Viccarbe is using wood from certified sustainable forestry sources.

Bicolor upholstery

One-color upholstery

*PLEASE NOTE! This collection offers two-tone upholstery, allowing you to choose a fabric or leather/eco-leather for the seat, front backrest and armrest, and a different fabric or leather/eco-leather for the back backrest and armrest. The price will correspond to the higher category. If two fabrics are selected, they must both belong to the same collection.

Check upholstery samples **for Indoor**.
